

STATE SUPPORT

MONOCITIES

As part of the functions of the project office for single-city development projects, the non-profit organization "Development Fund of mono-industrial cities", with the purpose of consulting and methodological support of local city administrations to single industry and the highest executive bodies of state power of the constituent entities of the Russian Federation on the attraction of budgets and extra-budgetary funds for the implementation of programs for the development of single-industry cities, in an initiatory manner, led to the discounting of a single list of measures to support the entity municipalities of the Russian Federation (monopolist cities), formed by the Ministry of Economic Development of Russia in April 2016 in accordance with the instructions of the First Vice Prime Minister of the Russian Federation II Shuvalov of 12 February 2016 No. ISH-P13-774.

On April 27, 2018, the updated unified list was presented by the Ministry of Economic Development of Russia together with the Foundation and the main administrators of measures to support regional and local authorities and investors in the single-industry cities of the Russian Federation.

The unified list is published on the Foundation's website and sent to the highest executive authorities of the constituent entities of the Russian Federation, local government agencies of single industry cities.
